Letter of Authorization to Provide System Key

AUTHORIZATION FOR USE OF SYSTEM KEY BY EFJOHNSON: (You must check one for each section)

I	<input type="checkbox"/> allow	<input type="checkbox"/> do not allow	EFJohnson Depot to retain the key to reload profiles in customer owned radios for repair	Expiration date:
I	<input type="checkbox"/> allow	<input type="checkbox"/> do not allow	EFJohnson Engineering to retain the key to perform testing on radios or system	Expiration date:
I	<input type="checkbox"/> allow	<input type="checkbox"/> do not allow	EFJohnson Systems to create and retain the key to setup and test new equipment for the system	Expiration date:
I	<input type="checkbox"/> allow	<input type="checkbox"/> do not allow	EFJohnson Field Support to retain the key to use to test/evaluate/program radios in the field as instructed by the System Owner	Expiration date:
I	<input type="checkbox"/> allow	<input type="checkbox"/> do not allow	EFJohnson to use my key for the following purpose:	Expiration date:

This authorization is given with the following additional requirements:

1. EFJohnson must provide the system key in a format that is not easily accessible by any intercepting party (secure data file). Key will be provided on a CD or by download from a password protected file on our FTP server. System owner must indicate method on page 1.
2. EFJohnson is required to keep this authorization letter on file and is further required to repeat steps 1 and 2 for each subsequent request for programming software.

This authorization is made with the understanding that EFJohnson will generate and distribute software only to the System Owner or an authorized recipient (as evidenced by this letter), and will maintain these keys in the strictest confidence and in a secure environment. Postal service, facsimile, or electronic mail may accomplish authorization of this release. An EFJohnson representative will call the System Owner to verify the authorization.

System Owner signature: _____

EFJohnson representative: _____

Date and time of authentication: _____

Complete this form and email both pages to warranty@efjohnson.com or fax to 972-819-0719.
If faxing, please notify Warranty at 800-328-3911 option 5.
